12 ORDER GRANTING REQUEST FOR
13 VOLUNTARY DISMISSAL

14 On November 19, 2013, Ollie L. Bryant, Jr., a state prisoner incarcerated at San Quentin
15 State Prison (SQSP), filed a letter informing the Court of conditions at SQSP. The Clerk of the
16 Court construed the letter as Mr. Bryant's intention to file a civil rights action and, accordingly,
17 opened the instant civil rights case.

18 On December 19, 2013, Mr. Bryant wrote a letter to the Court indicating that he did not
19 wish to open a civil rights case, but submitted the letter to be filed in two pending civil rights cases
20 and to be delivered to the Honorable Thelton Henderson. He requests that this case be closed and
21 the filing fee be dismissed. The Court GRANTS Mr. Bryant's request to close the case and to have
22 the filing fee dismissed.

23 The Clerk of the Court shall close this case. Because this case was opened in error, the
24 Clerk of the Court shall not charge a filing fee.

25 This Order shall be sent to the Court's finance department.

26 IT IS SO ORDERED.
